**NOTICE TO NOTEHOLDERS AND/OR CERTIFICATEHOLDERS (THE  
"SECURITYHOLDERS") OF THE TRANSACTIONS AND THEIR CORRESPONDING CUSIPS  
LISTED ON EXHIBIT A**

(Notice Date: April 4, 2011)

Reference is made to the respective Trust Agreement or Indenture governing the Transactions referenced above (collectively the "*Trust Agreements*" and each is a "*Trust Agreement*") under which U.S. Bank National Association serves as trustee (the "*Trustee*"). Any capitalized term used herein and not otherwise expressly defined shall have the meaning assigned to such term in the applicable Trust Agreement. Reference is also made to Notices sent to Securityholders in September 2010 and December 2010, notifying Securityholders of the filing of the adversary proceeding described below and the filing of the Motion by the Debtors (as defined below) seeking SPV ADR procedures, likewise described below.

Under the terms of each of the Trust Agreements, each of the Issuers entered into a credit derivatives transaction with an affiliate of Lehman Brothers Holdings Inc. ("*LBHI*") as counterparty documented by an ISDA Master Agreement (Multicurrency - Cross Border) by and between a debtor affiliated with LBHI (collectively with LBHI the "*Debtors*") and the relevant Issuer (the "*Master Agreements*"), one or more Schedules to the Master Agreement between the Debtors and the relevant Issuer (the "*Schedules*") and one or more Confirmations to the relevant Issuer from the Debtors (the "*Confirmations*" and collectively with the all of the Master Agreements and Schedules, the "*Swap Transactions*"). LBHI served as Credit Support Party for each of these transactions.

On September 15, 2008, LBHI filed a voluntary petition seeking relief under Chapter 11 of 11 U.S.C. §101 *et seq.* (the "*Bankruptcy Code*" and the proceeding the "*Lehman Bankruptcy Proceeding*"); thereafter on and after October 3, 2008 Lehman Brothers Special Financing Inc. ("*LBSF*") and other Debtors filed their voluntary proceedings<sup>1</sup>.

An Event of Default exists under each of the Swap Transactions by virtue of the voluntary bankruptcy petitions filed first by LBHI and thereafter by LBSF<sup>ii</sup> or another Debtor counterparty. Based on the terms of the applicable Trust Agreement, and/or based on directions received from Securityholders, the Trustee provided notice of an Early Termination Event and designated an Early Termination Date under the Swap Transactions. Under the terms of the applicable Trust Agreement and Swap

Transaction(s), because LBSF was the sole Affected Party and Defaulting Party under the terms of each Swap Transaction, each Trust Agreement provided that any termination payment due LBSF would be paid after payments made to the Securityholders (and certain Administrative Expenses and other amounts senior to Securityholders). Had LBSF not been the Defaulting Party, each Trust Agreement provides that any termination payment would be paid from available proceeds prior to applying such proceeds to payments to Securityholders.

As described in previous Notices sent to you, in his Memorandum Decision Granting Motion For Summary Judgment and Declaring Applicable Payment Priorities in the Dante Decision (defined in the endnotes below)<sup>iii</sup>, Judge Peck ruled in the context of that adversary proceeding, that a change in the waterfall resulting from the bankruptcy filings by LBHI and LBSF constituted an unenforceable ipso facto provision, and therefore the termination payment due LBSF under that swap transaction was due prior to payments to the Securityholders (as it would be in the absence of a bankruptcy default by LBHI and LBSF), and not after payments to Securityholders as contemplated by the transaction documents. While this decision was the subject of an appeal, the matter ultimately settled prior to any consideration of the appeal by the District Court. The terms of the settlement have been kept confidential.

Relying upon the Dante Decision, LBSF filed an action in the United States Bankruptcy Court for the Southern District of New York against the Trustee and the Issuer for each of the Securities<sup>iv</sup>. The adversary proceeding challenges, under various theories, the distribution provisions contained in each Trust Agreement providing for the payment of the termination payment calculated to be due LBSF after payments to Securityholders because LBSF is the sole affected party or defaulting party under the swap.

We previously advised you that on November 24, 2010, LBHI filed a motion seeking the implementation of dispute resolution procedures involving special purpose vehicles<sup>v</sup>. On December 8, 2010, the Trustee filed an objection to the Motion (the "*Objection*"). On March 3, 2011, the Bankruptcy Court entered an Order approving the SPV ADR procedures (the "*SPV ADR Order*")<sup>vi</sup>. These procedures may be employed by the Debtors to resolve disputes concerning the Swap Transactions that are the subject of the adversary proceeding, and require, inter alia, that the relevant Special Purpose Vehicle and/or the Trustee publish notice of the adversary proceeding and mediation and designate a party that is authorized to mediate the dispute on behalf of the transaction. The Trustee filed a Notice of Appeal with respect to the SPV ADR Order.

The Trustee hereby advises you that in order for it to comply with the terms of the SPV ADR Order and take any action for the benefit of the Securityholders, it will be required to use Underlying Assets in order to discharge fees, expenses and other charges it incurs in connection therewith, including, but not limited to, the cost of publishing notice. In addition, the Trustee believes that it is essential for one or more Securityholders to represent the transaction in any mediation because the Securityholders that have the economic interests therein. Please contact us *immediately* if you are willing to serve as one or part of a group of holders representing the interests of the transaction.

v The motion was styled Motion Pursuant to Section 105(a) of the Bankruptcy Code and General Order M-390 for Authorization to Implement Alternative Dispute Resolution Procedures for Affirmative Claims of Debtors Under Derivatives Transactions with Special Purpose Vehicle Counterparties (referred to herein as the "*SPV ADR Motion*" or the "*Motion*"), and can be found as Docket No. 13009 on the LBHI docket.
